Summary Care Records

The NHS Summary Care Record is an electronic record of important information about your health.
It will be available to health care staff providing your NHS Care.

Are you happy to have a Summary Care Record?	**Yes**	**No**

When we refer you to another health professional for care, we need to give them your medical history so they are aware of your health & any medication you are taking.
If for any reason you do not want us to share your medical history, please inform the doctor at the time of referral.

Do you have online access? If so and you would like to sign up to our online booking, medication ordering and medication/allergy history PLEASE ASK AT RECEPTION. They will require photo ID and we then provide you with a username & password.

We also provide an eConsult service where you can receive help, advice and treatment for your health problems online. Access eConsult via our practice webpage: www.litchdonmedicalcentre.co.uk

Patient Participation Group

The Practice is committed to improving the services we provide to our patients.
To do this, it is vital that we hear from people about their experiences, views, and ideas for making services better.
By expressing your interest, you will be helping us to plan ways of involving patients that suit you.
It will also mean we can keep you informed of opportunities to give your views and keep you up to date with developments within the Practice.
If you are interested in getting involved, please provide your name, email address and contact telephone number and we will pass these details to the group coordinator.
